(3-VOTES)**

SUBJECT

Recommendation to approve a grant request using the Fish and Game Commission Propagation Fund to stock fish for a fishing event to be held at Belvedere Park.

IT IS RECOMMENDED THAT YOUR BOARD:

Approve a Fish and Game Propagation Fund Grant request in an amount not to exceed \$1,700, to stock fish for the "Holiday Family Fishing Derby" event to be held on December 17, 2011 at Belvedere Park, 4914 E. Cesar Chavez Avenue, Los Angeles, sponsored by Los Angeles County First Supervisorial District.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The Commission has determined that the grant request will promote education, conservation and the propagation of fish and game thus benefiting Los Angeles County and the State of California.

At its meeting held January 13, 2011, the Commission became aware of a grant request from the First Supervisorial District, totaling \$45,200, to stock fish at various parks and recreational areas for 11 fishing events. The Chairman of the Commission requested that these items be placed on the next agenda for consideration and approval.

At its meeting held April 14, 2011, the Commission considered and took action on five of the eleven

requests from the First Supervisorial District for fishing events at Belvedere Park and Whittier Narrows Regional Recreation Area; and continued five events to a special meeting to be held in May 2011 and one event to July 14, 2011.

This propagation grant request is only for the event approved by the Commission at its meeting held July 14, 2011. The "Holiday Family Fishing Derby" which will be held at Belvedere Park, on December 17, 2011.

Implementation of Strategic Plan Goals

Providing funding for these events is consistent with the County's Strategic Plan Goal No. 3 (Community and Municipal Services). In addition to enhancing the community's knowledge and understanding of conservation and the propagation of fish and game, the events will provide a safe and healthy environment increasing accessibility to County cultural, recreational and lifelong learning facilities and programs.

FISCAL IMPACT/FINANCING

There is no impact on the General Fund. The approved expenditure will be charged to the Fish and Game Propagation Fund, which has sufficient funds to cover the cost.

The Los Angeles County Fish and Game Propagation Fund is financed from a percentage of penalty assessments collected relating to fish and game code violations in Los Angeles County.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Section 13100 of the Fish and Game Code establishes guidelines for the expenditure of fines levied for fish and game code violations. It includes public education relating to the scientific principles of fish and wildlife conservation, consisting of supervised formal instruction carried out pursuant to a planned curriculum and aids in education such as literature, audio and video recordings, training models, and nature study facilities.

This Board action enhances the education, conservation and the propagation of fish and game thus benefiting Los Angeles County and the State of California.
